Horseback Riding Lessons - Farm Camps- Pony Rides - Farm visits

I, the undersigned, do hereby understand, acknowledge and agree that participation in farm activities at Flower Lion Farm will include activities that carry inherent risks. These activities may include but are not limited to: feeding and petting livestock and farm animals, milking goats, consuming fresh raw goat milk, shoveling manure, assisting in farm chores, working in the garden, brushing and grooming horses or ponies, and riding horses or ponies. These activities, like all farm and outdoor activities, contain inherent risks that could lead to injury or death.

I fully understand that the activity of horseback riding, or even being near a horse or pony, involves numerous inherent risks of injury to my child or myself. I fully understand that any horse or pony, irrespective of its training and usual past behavior and characteristics, may act or react unpredictably based on instinct or fright, and that even the most gentle horse when provoked or frightened, may buck, rear, run away, or otherwise act in an unpredictable and dangerous manner. I fully assume the responsibility for any damage, injury, or even death caused by my or my child's contact with horses and ponies and horseback riding.

In the event of injury to my child or myself, I give my permission to Flower Lion Farm to arrange for all necessary emergency medical treatment, which may include transport to the nearest hospital, for which I shall be financially responsible.

COVID-19: Added safety and sanitation measures will be in place. Flower Lion Farm expects all visitors to follow all local/state directed health measures and recommendations by the CDC. Farm activities are outdoors with plenty of space to spread out to allow for social distancing. Disposable masks will be available to those who may wish to wear one. Hand sanitizer will also be provided as well as a handwashing station and a restroom available for hand washing. Participation in farm activities is voluntary, so please be responsible and stay home if you are concerned about your own exposure or if you are ill.

Hold Harmless: Understanding the hazards inherent to the above-mentioned activities, I agree to assume for myself and my minor child, all of the risks involved. I acknowledge that the assumption of all the risks is my responsibility and I agree to hold harmless and completely release Kimberlee Berlin and Flower Lion Farm from all liability for any and all injuries or damage caused by my or my child's participation in the general activity of horseback riding and/or farm activities. Any visitors to Flower Lion Farm are personally responsible for their own health, safety, and actions. By coming to our farm you agree to hold Flower Lion Farm, Kimberlee Berlin and family, and any employees or heirs, harmless from and against any and all costs, expenses, damages, claims, lawsuits, judgments, losses, and/or liabilities (including attorney fees) arising either directly or indirectly from or related to any and all claims made by or against any of the released parties due to bodily injury, death, loss of use, monetary loss, or any other injury from or related to attendance whether caused by the negligence of the released parties or otherwise. This includes potential damages directly and/or indirectly related to the COVID-19 virus.

Warning- Under Colorado law, an equine professional is not liable for the injury to or death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to section 13-21-119, Colorado Revised Statutes.
